Education:

- Ph.D., Ed.S, M.S., Nova Southeastern University
- B.A., Business Administration, Rowan University
- Industry Certifications: A+, Network+, Project+, Security+ and Microsoft Office Master certified.

Prior to his service at the University of Mount Olive starting in 2004, Dr. Reimers worked in the hospitality industry as part owner of a successful hotel franchise and restaurant. Connecting with the business world, he currently holds an active North Carolina Broker's license. Academically, he has published numerous journal articles focusing on the perceived value of industry certifications and on the creation/implementation of web-based tutorials which enable students to attain certification. Student engagement is at the forefront of his repertoire where he places an emphasis on integrating experiential learning into the classroom- many of his students participate in real-world projects that benefit the local community. Lastly, Dr. Reimers enjoys golfing and being a father and an agent for his daughter- Anna Reimers who made North Carolina "All State" in golf at the age of 13! Anna placed first at a major 2019 junior tournament this year!
